On their journey to these values in sustainable business, in addition to popular passion, the desire to conquer hardships and overcome challenges himself, Board of director and all employees Khai Hoan Art Company philosophy:

" Put business interests into the interests of society and community."

To promote the tradition of family, solidarity, by heart his father's teachings:

"Much of what government takes the mirror, people in a country must trade with each other"

Listen, understand and will share the piece of difficulty, misfortune with all my heart, with specific actions that collectively contributed everything I can: - Contribute to support programs "Victims of Agent Orange" by launching City.

- Contribute to build bridges Ca Tang students on both sides of the Thu Bon River

- Contributions support the provinces and cities, families affected by natural disasters, floods, landslides, collapsed bridges
